## IT IS IMPORTANT

### To Know What You Are Taking When Using Catarrh Medicines.

Catarrh is the short route to consumption. and the importance of early and judicious treatment of catarrh, whether located in the head, throat or bronchial tubes, cannot be too strongly emphasized.

Toe list of catarrh cures is as long as the moral law and the forms in which they are administered numerous and confusing, from sprays, inhalers, washes, oluments, and salves to powders, liquids and tablets. The tablet form is undoubtedly the most convenient and most effective, but with nearly all advertised catarrh remedies it is almost entirely a matter of guess work as to what you are taking into your system, as the proprietors, while making all sorts of claims as to what their metheines will do, always keep it a close secret as to what they are.

The success and popularity of the next.

they are.

The success and popularity of the new catarrh cure, Stuart's Catarrh Tablets, is largely because it not only cures catarrh, but because catarrh sufferers who use these but because catarrh sufferers who use these tablats know what they are taking into their systems. Stuart's Catarrh Tablets being composed of Eucalyptol, Hydrastin, Guziacol and similar valuable and antiscptic ingredients and are pleasant to the tasts and being dissolved in the mouth they take immediate effect upon the mucous lining of the throat, nasal passeges and whole re-miratory tract.

the throat, nasal passeges and whole respiratory tract.

The cures that Stuart's Catairh Tablets have accomplished in old chronic cases of catairh are little short of remarkable, and the advantage of knowing what you are putting into your stomach is of paramount importance when it is remembered that the cocaine or morphine habit has been frequently contracted as the result of using secret catairh remedica.

Stuart's Catairh Tablets meet with cordial approval from physicians, because their antiseptic character renders them perfectly safe for the general public to use and their composition makes them a common-sense cure for all forms of catairhal troubles.

All druggists sell them at 50 cents, for all-sized packages.

New York, April 30.-At the Hercules A C, to-night Bob Fitzsimmons proved that he is far from being a "dead one," which many supposed. In less than two rounds he knocked out Ed Dunkhorst, the Syracuse giant, a feat which other and bigger men found impossible.

Fitzsimmons showed that his wenderful hitting powers have not forsaken him, and was lively on his feet as ever, but had little time in which to display the fact.

The bout was booked to go twenty-five rounds. Fitzsimmons was cheered justily when he entered the ring. The attendance exceeded 4,000. Dunkherst was the first to appear, entering the ring at 19:12, attended by Tommy Ryan, Jack Jeffries and Dan Johnson, The lanky fellow was right behind him.

Bob looked fit and weighed about 150 pounds. Little time was lost in getting ready, and in less than five minutes after entering the ring they were waiting for the gong.
